## Prody® Drainage Bulb Holder II

Size	Unit	Model #	Case
Universal	Each	PPDB-2	50

US Patent #11,090,184

## Prody® Drainage Bulb Holder II Kit

Size	Description	Model #	Unit
Universal	Kit	PPDB-2K	Each

## Benefits and Advantages

- New improved easy grip fasteners making drain care easier
- Secures up to four drainage bulbs eliminating the need for safety pins
- Maximizes drain function and decreases potential dislodgement
- Easy access and visibility for drain care, yet not visible to others under clothing
- Provides comfort while securing drain bulbs during activities, while sleeping and in the shower-if allowed
- Kit contains all needed supplies for drain care and patient education
- Abdominal binder with drain fasteners has paneled construction that allows conforming to body shape, with plush backing
- Drainage Bulb Holder II is universal in size, can be positioned for right or left-handed fastener opening-Latex-free
- Decreases complications and improves outcomes

US Patent #11,090,184
